## **ACCESS TO MEDICAL RECORDS**

From the 25 May 2018, in most cases, patients can request access to their medical records (Subject Access Request - SAR) free of charge, including when a patient authorises access by a third party such as a solicitor. A 'reasonable fee' can be charged if the request is manifestly unfounded or excessive. If the request is for a medical report (rather than a SAR) then this falls under the Access to Medical Reports Act (AMRA) and will be handled in the usual way. The General Data Protection Regulation (GDPR) does not change the AMRA.

handled in the usual way. The General Data Protection Regu	ulation (GDPR) does	not chan	ige the AMR	٩.
